From Your Police Chief

January 31, 2013

Dear Citizens of Kenmore:

The men and women of the Kenmore Police Department are committed to providing high quality, professional law enforcement services to the citizens of Kenmore. We are dedicated to being responsive to the needs of the community. We have had an active partnership with our citizens that have embraced the philosophy of community-oriented policing and problem solving and as a result of this partnership we have seen reductions in crime and the fear of crime.

The Kenmore Police Department conducted a two day live fire Active Shooter and Patrol (ASAP) training this year. The ASAP team, which is comprised of patrol officers, was developed to respond to active shooter incidents at any location within the City. This was the first time we had incorporated nighttime (low light level) scenarios in our training syllabus, which has prepared our ASAP team to efficiently respond to any situation.

This year Kenmore PD applied for and was awarded a grant from the National Association of Drug Diversion Investigators (NADDI) for a prescription drug drop box. Prescription drug abuse is the fastest-growing drug problem in the country. In Washington State 11% of teens use prescription medicines for non-medical reasons - a rate among the highest in the nation. Over half of teens abusing medicines get them from a family member or friend, often without their knowledge. Unwanted medicines left in the home endanger our children, seniors and pets.

Over half of the 37,000 calls to the Washington Poison Center in 2009 were for young children poisoned by medicines found at home. The elderly are also at risk of accidental poisonings and human medications are the leading cause of pet poisoning. Flushing drugs send them into our waters. Throwing them in the garbage makes them available for others to take and use and can still get into the environment.

The City of Kenmore has installed the prescription drug drop box at City Hall, located at 18120 68 Ave NE, Kenmore. Turning in your expired or unused prescription drugs for disposal is the only secure and environmentally sound way to dispose of leftover medicines. **You may drop off your medicines Monday – Friday from 9 am to 5 pm, excluding holidays, no questions asked. We will not accept needles, fluids or inhalers.**

Every year, on the first Tuesday of August, we sponsor National Night Out (NNO) at Kenmore City Hall, located at 18120 68 Ave Ne St. Kenmore, WA from 6 p.m. to 9 p.m. This is the time when the community comes together to promote police-community partnerships; crime, drug and violence prevention; safety; and neighborhood unity. Police officers barbecue hamburgers and hotdogs for our citizens (for FREE!). Police and fire fighting vehicles are on display for all to view and check out. Information is available for the following:

- Block watches,
- House checks,
- Personal safety,
- Fingerprinting and ID cards for kids,
- Bicycle registration cards and

- Home fire prevention.
- This is a great way to get to know some of the people that make up your community. We are looking forward to seeing you at NNO this year.

The Kenmore Police Department offers residential crime prevention surveys for Kenmore residents. This service is free whether you own your home, or rent it. Surveys can be conducted on houses, apartments or condominiums. The survey includes:

- A security survey of the premises.
- Information on how to make your valuables more secure.
- Tips on lighting, landscaping, door and window security, and alarms.
- Personal safety tips to make you and your family more secure.
- Information on neighborhood block watches.
- The importance of Operation ID

If you are interested in setting up an appointment for a survey please contact Officer Mark Childers, Storefront Officer at (206) 205-7652. He is trained and certified in crime prevention.

This report is a review of our performance during the year 2012. It is a compilation of statistics that portray our work and commitment to the citizens of Kenmore. I am happy to report that this year we have seen a reduction in many crime categories such as: Murder, Burglaries, Robbery, Auto Thefts and Larcenies incidents just to mention a few. We will continue to review our strategies and use innovative techniques in our ongoing efforts to reduce crime in Kenmore. We invite your comments and questions.

Sincerely,
Clifford G. Sether
Chief of Police

City Cost Comparison

The city cost comparison study is conducted annually by the King County Sheriff's Office Contracts Unit. The study accounts for city budget differences and may factor in (or factor out) certain line items in an effort to allow for "apples-to-apples" comparison between cities. Kenmore's cost per capita shown here is different than the contract cost per capita, which only includes Kenmore's law enforcement contract paid to the county. The following budget information is obtained directly from the city's budget, which may include funding for extra police services.

Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a "dispatched call for service."

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.
Police Calls

Source: Police Services Data and CAD

Dispatched Calls For Service (DCFS): The number of DCFS shown here includes calls that are verified to take place inside the city limits and that are charged to the city as part of its police contract. Total DCFS counts, as shown in the Police Service Data section, may be slightly higher (usually less than 5 percent higher).
Response Times to High Priority Calls

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a "priority" based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

"Priority X" designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

"Priority 1" designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

"Priority 2" designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Kenmore's Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Commissioned Officers per 1,000 Residents

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Kenmore for every 1,000 residents. This number includes commissioned officers who work in supervisory or other non-patrol related positions as well as special services officers who work part-time for the city. It does not include professional (i.e. non-commissioned) support staff.

Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Kenmore pays for and does not include the number of responses an officer initiates (such as witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as supervisors or special duty officers/detectives).

Costs of Police Services per Capita

The City of Kenmore contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- ➢ Mutual aid agreements with other law enforcement agencies in Washington State
- ➢ A large pool of officers if back-up help is necessary
- ➢ Coverage if city officers are away
- ➢ Expertise of specialized units to assist officers
- ➢ More experienced officers to select from for city staffing
- ➢ Cost sharing throughout the department to keep city costs down

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Kenmore may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita, which shows the contract cost for police services divided by Kenmore's population.
